ARTICLE VII - EMPLOYEE RIGHTS - GRIEVANCE PROCEDURE

- 7.1 DEFINITION OF A GRIEVANCE. A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement.
- 7.2 UNION REPRESENTATIVE. The Employer will recognize representatives designated by the union as the grievance representatives of the bargaining unit having the duties and responsibilities established by this Article. The Union shall notify the Employer, in writing, of the names of such Union Representatives and of their successors when so designated as provided by this Agreement.
- 7.3 PROCESSING OF A GRIEVANCE. It is recognized and accepted by the Union and the Employer that the processing of grievances, as hereinafter provided, is limited by

the job duties and responsibilities of the employees and shall, therefore, be accomplished during normal working hours only when consistent with such employee duties and responsibilities. The aggrieved employee and a Union Representative shall be allowed a reasonable amount of time without loss in pay when a grievance is investigated and presented to the Employer during normal working hours, provided that the employee and the Union Representative have notified and received the approval of the designated supervisor who has determined that such absence is reasonable and would not be detrimental to the work programs of the Employer.

7.4 PROCEDURE. Grievances, as defined by Section 7.1, shall be resolved in conformance with the following procedure:

Step 1.

An employee claiming a violation concerning the interpretation or application of this Agreement shall, within twenty-one (21) calendar days after such alleged violation has occurred, present, in writing, such grievance to the employee's supervisor as designated by the Employer. The supervisor will discuss and give an answer to such Step 1 grievance within ten (10) calendar days after receipt. A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing, setting forth the nature of the grievance, the facts on which it is based, the provisions or provision of the Agreement allegedly violated, the remedy requested, and shall be appealed to Step 2 within ten (10) calendar days after the supervisor's final answer in Step 1. Any grievance not appealed in writing to Step 2 by the Union within ten (10) calendar days shall be considered waived.

Step 2.

If appealed, the written grievance shall be presented by the Union to the Chief Deputy Sheriff and discussed. The Chief Deputy shall give the Union the Employer's Step 2 answer, in writing, within ten (10) calendar days after receipt of such Step 2 grievance. A grievance not resolved in Step 2 may be appealed to Step 3 within ten (10) calendar days following the Chief Deputy's final Step 2 answer. Any grievance not appealed in writing to Step 3 by the Union within ten (10) calendar days shall be considered waived.

Step 3.

If appealed, the written grievance shall be presented by the Union and discussed with the Human Resources Director. The Human Resources Director shall give the Union the Employer's answer, in writing, within ten (10) calendar days after receipt of such Step 3 grievance. A grievance not resolved in Step 3 may be appealed to Step 4 within ten (10) calendar days following the final Step 3 answer. Any grievance not appealed in writing to Step 4 by the Union within ten (10) calendar days shall be considered waived.

Step 3a.

If the parties are unable to reach agreement within ten (10) days after the Step 3 meeting, the parties may mutually request mediation from the State Bureau of

Mediation Services. If resolution of the grievance is not reached through mediation the parties will proceed to Step 4.

Step 4.

A grievance unresolved in Step 3 and appealed to Step 4 by the Union shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971, as amended. The selection of an arbitrator shall be made in accordance with the "Rules Governing the Arbitration of Grievances, 11 as established by the Bureau of Mediation Services. If the Union does not request striking of names within twenty-one (21) calendar days following receipt of a list of arbitrators, the grievance involved shall be considered waived.

7.5 ARBITRATOR'S AUTHORITY

A. The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the Union, and shall have no authority to make a decision on any other issue not so submitted.

B. The arbitrator shall be without power to make decisions contrary to, or inconsistent with, or modifying or varying in any way the application of laws, rules or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be binding on both the Employer and the Union and shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.

C. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made provided it pays for the records. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.

7.6 WAIVER. If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the Union in each step.

7.7 CHOICE OF REMEDY. Any matters governed by statutory provisions except as expressly provided for in this Agreement, shall not be considered grievances under this Agreement. In the event that more than one procedure is available for resolution

of a dispute arising from any provisions covered by this Agreement, the aggrieved employee(s) shall be limited to one procedure through which remedy may be sought. Selection of a remedy or appeal procedure other than that provided herein (such as Veterans Preference, Human Rights or other remedies) shall exclude members from remedies provided under this contract.

ARTICLE VIII - SAVINGS CLAUSE

This Agreement is subject to the laws of the United States, the State of Minnesota and the County of Sherburne, Minnesota. In the event any provisions of this Agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provision shall be voided. All other provisions of this Agreement shall continue in full force and effect. The voided provision may be renegotiated at the written request of either party.

ARTICLE IX - SENIORITY

- 9.1 Seniority shall be determined by the employee's length of continuous full-time employment in a position within the Department. Seniority rosters may be maintained by the Sheriff on the basis of time in grade and time within specific classification and shall be posted in an appropriate location.
- 9.2 During the probationary period a newly hired or rehired employee may be discharged at the sole discretion of the Employer. During the probationary period a promoted or reassigned employee may be replaced in his/her previous position at the sole discretion of the Employer. The probation period on initial employment and on promotion shall be one (1) year. The Employer agrees to publish and post procedures for promotion, including promotion to supervisory levels. Employees promoted to supervisory positions within the department shall retain seniority in the classification from which promoted.
- 9.3 A reduction of the work force will be accomplished on the basis of seniority. Employees shall be recalled from layoff on the basis of seniority. An employee on layoff shall have an opportunity to return to work within two (2) years of the time of his/her layoff before any new employee is hired.
- 9.4 Vacation periods shall be selected on the basis of seniority until March 15 of each calendar year.
- 9.5 Senior employees will be given preference to fill vacancies within the bargaining unit when the vacancy is permanent and when the job relevant qualifications of employees are equal. Senior employees will be given preference once each year to bid for transfer and assignments within classification, with reassignments to be effective at the beginning of the eight week schedule rotation which falls closest to January 1 of each

year, subject to Employer approval, based on equality of job relevant qualifications and needs of the Department.

ARTICLE X - DISCIPLINE

- 10.1 The Employer shall discipline employees for just cause only. Discipline shall be in one of the following forms:
- a) oral reprimand
 - b) written reprimand
 - c) suspension
 - d) demotion, or
 - e) discharge.
- 10.2 Suspensions, demotions and discharges will be in written form.
- 10.3 Written reprimands, notices of suspension and notices of discharge, which are to become part of an employee's personnel file, shall be read and acknowledged by signature of the employee. Employees and the Union shall receive a copy of such reprimands and/or notices.
- 10.4 Employees may examine their own individual personnel files at reasonable times under the direct supervision of the Employer.
- 10.5 Employees will not be questioned concerning an investigation of disciplinary action unless the employee has been given an opportunity to have a Union representative present at such questioning.
- 10.6 Grievances relating to this Article and involving suspension, demotion or discharge, shall be initiated by the Union in Step 3 of the Grievance Procedure under ARTICLE VII.

ARTICLE XI - CONSTITUTIONAL PROTECTION

The Employer and the Union agree that nothing in this Agreement shall limit or impair the rights of covered employees under the laws of the United States or of the State of Minnesota.

ARTICLE XII - WORK SCHEDULE

- 12.1 The normal work year will be thirteen (13) twenty-eight (28) day work rosters. Each employee will be required to work 2080 hours per year. This will be accomplished through:

- a) hours worked on assigned shifts including holidays worked;
 - b) assigned training or hours worked and designated by employee to reach required 2080;
 - c) authorized leave time.
- 12.2 Employees not accomplishing the required 2080 hours of work will be required to use accumulated Paid Time Off (PTO) or accumulated compensatory time to make up the required 2080 hours.
- 12.3 Nothing contained in this or any other Article shall be interpreted to be a guarantee of a minimum or maximum number of hours the Employer may assign employees.

ARTICLE XIII - OVERTIME

- 13.1 Employees will be compensated at one and one-half (1-1/2) times the employee's regular base pay rate for hours worked in excess of the employee's regularly scheduled shift. Changes of shifts do not qualify an employee for overtime under this Article.
- 13.2 Overtime will be distributed as equally as practicable.
- 13.3 Overtime refused by employees will, for record purposes under Section 13.2, be considered as unpaid overtime worked.
- 13.4 For the purpose of computing overtime compensation, overtime hours worked shall not be pyramided, compounded or paid twice for the same hours worked.
- 13.5 Overtime will be calculated to the nearest fifteen (15) minutes.
- 13.6 Employees have an obligation to work overtime or call backs if requested by the Employer unless unusual circumstances prevent the employee from so working.
- 13.7 Employees will be allowed to accrue compensatory time off in lieu of overtime pay under the following conditions:
- 1) The maximum accumulation of compensatory time will be 160 hours.
 - 2) The use of compensatory time off will be allowed at the discretion of the employee's immediate supervisor.
 - a. Supervisors will ensure that the needs of the County will be met when deciding on authorizing compensatory time off.
 - b. The use of compensatory time off will not be allowed when it requires the hiring of other personnel at overtime pay to fill the void.
 - 3) Compensatory time as indicated below will be provided to those employees

designated by the employer as the primary training officer during the formal training period for new employees.

8-Hour Shift = 1.5 Compensatory Hours

10-Hour Shift = 2 Compensatory Hours

12-Hour Shift = 2.25 Compensatory Hours

- 4) During slack periods in departmental operations, the Department Head may require employees to take time off to reduce accumulated hours of compensatory time.

ARTICLE XIV - CALL BACK TIME

An employee who is called to duty during his/her scheduled off-duty time shall receive a minimum of three (3) hours pay at one and one-half (1-1/2) times the employee's base pay rate. An extension of or an early report to a regularly scheduled shift for duty does not qualify the employee for the three (3) hour minimum. If the call back work assignment and the employee's regular work shift overlap, the employee shall be paid the call back rate of time and one-half (1-1/2) until his/her regular shift begins.

ARTICLE XV - COURT TIME

- 15.1 An employee who is required to appear in court during his/her scheduled off-duty time shall receive a minimum of three (3) hours pay at one and one-half (1-1/2) times the employee's base pay rate. An extension or early report to a regularly scheduled shift for court appearance does not qualify the employee for the three (3) hour minimum.
- 15.2 If an employee is required to appear in court during scheduled off-duty time and the court appearance is canceled less than 24 hours in advance, the minimum of three hours pay shall apply. An extension or early report to a shift for court appearance does not qualify the employee for this minimum payment.

ARTICLE XVI - WORKING OUT OF CLASSIFICATION

Employees assigned by the Employer to assume the full responsibilities and authority of a higher job classification for one (1) work period or more shall receive the salary of the higher classification for the duration of the assignment.

ARTICLE XVII - PAID TIME OFF LEAVE (PTO)

17.1 Employees shall earn Paid Time Off (PTO) at the following rate:

<u>Years of Service</u>	<u>Hours</u>	<u>Annual Accrual Rate</u>
0 – 4 years	0 – 8,320	168 hours
5 – 9 years	8,321 – 18,720	192 hours
10 – 14 years	18,721 – 29,120	216 hours
15 – 19 years	29,121 – 39,520	240 hours
20+ years	39,521 +	264 hours

17.2 When the employee’s length of service reaches the next higher rate of accrual; accrual at the new rate shall begin on the first day of the pay period following the date of eligibility.

17.3 PTO shall not accrue during a period of unpaid leave of absence of 40 hours or more except it shall continue to accrue during an approved workers compensation medical leave or a leave covered by short term disability insurance.

17.4 PTO is accrued bi-monthly and may be used subsequent to being earned in increments of not less than 15 minutes.

17.5 PTO can be utilized for any purpose, subject only to necessary request and approval procedures consistent with departmental policy and this labor agreement.

17.6 Non-emergency use of PTO must be requested in advance according to departmental policies. Emergency use may require documentation of the emergency. Non-scheduled PTO requests may be denied. Failure to follow departmental policies regarding advance approval or appropriate emergency use of PTO will subject the employee to disciplinary action consistent with this labor agreement.

17.7 Probationary employees may use to the extent it is earned. However, PTO does not vest until after six months.

17.8 Maximum carry-over of PTO from one year to the next is seven hundred (700) hours. Any PTO in an employee’s account which exceeds 700 hours as of December 31st of each year shall be converted in accordance with Article 17.14.

17.9 Medical Certification: A doctor’s certificate stating the nature and duration of an illness or injury and verifying that the employee is unable to perform the duties and responsibilities of the employee’s position due to that illness or injury may be required at the discretion of the supervisor before the use of emergency PTO is approved. A statement attesting to the employee’s ability to return to work and perform the essential functions of that employee’s position may also be required before the employee returns to work.

17.10 *Leave Transfer Eligibility:* Employees may transfer accrued PTO from the account of one employee to the account of another employee only if all the following circumstances are met.

- 1) The employee is unable to work for one or more of the following reasons:
 - a) The employee is unable to work due to a catastrophic medical event affecting themselves, spouse, child or parent.
 - b) The death of a spouse, child or parent.
- 2) The employee has exhausted, or it is apparent will soon exhaust, all of their own paid leave time to include PTO, ESLB, Holiday Bank and CT.
- 3) The employee is eligible to use PTO.
- 4) If receiving short term disability or workers compensation payments, the employee may receive only enough donated time so that the STD or WC payments plus the paid leave do not exceed normal pay.

Notification: To be eligible to receive donated leave, an employee must complete a request form and submit it to the Human Resources Director for approval. The request form shall provide the reason for the work absence, the expected duration of the absence and state that solicitation for donations is approved. The request form must also specifically state what information can be provided to other employees in order to solicit donations. A signed authorization to release private data must be included with the form. The donated leave will be considered wages of the employee receiving the donation.

Exercise of the PTO Leave Transfer Policy shall not establish a precedent or practice and shall not be subject to the grievance procedure. The County reserves the right to determine eligibility for PTO transfers on a case-by case basis

Leave Donations: Employees who wish to donate leave will do so under the following conditions:

1. A written request to donate leave must be made to the Human Resources Department on forms designated by the Human Resources Department for that purpose. The name of the employee who is to receive the donation will be noted on the form.
2. An employee may not transfer ESLB hours to another employee under any circumstances.
3. Names of donors will not be revealed to the recipient, if so requested by the donor.
4. The Human Resources Department will track donations and use them on a "first received" basis. PTO can only be donated when all accrued leave

of the recipient has been exhausted. Each pay period, an amount of PTO will be transferred to cover the recipient's unpaid hours.

5. The number of hours donated (not the dollar value) will be subtracted from the accrued balances of the donor and those hours will be credited to the PTO balance of the recipient.
6. Any leave donations used by the recipient become the property of the recipient and are not refundable to the donor.
7. An employee must maintain a minimum balance of 40 hours of PTO when donating leave.
8. All transfers must be in increments of one (1) hour.
9. An employee may use donated leave up to 180 days from the first day missed due to the catastrophic medical event. Due to the death of a spouse, child or parent, the recipient may use donated leave up to 30 days from the first day missed due to the death.
10. Donations may be made retroactively, but not more than 60 days retroactively.
11. Once the employee returns to work, or is no longer eligible for donated leave, any remaining unused donation forms will be returned to the donors without any leave deductions occurring.

17.11 Annual Cash-Out: employees may cash-out or convert to the County's deferred compensation program (subject to maximum deferral regulations of the IRS) up to 20% of their PTO balance not to exceed 100 hours each year provided that they have used a minimum of 30% of their annual accrual during the current calendar year. Conversion to cash or deferred compensation shall occur in December of each calendar year. Payroll will notify employees by November 1 of each year as to the dates and methods of requesting the annual cash-out or conversion which will be included with a regular payroll and will not be paid in a separate check. The cash-out shall be at the employee's regular rate of pay at the time of cash-out. "Regular rate" for the purpose of this section is the employee's straight time rate not including any overtime, shift differential added to certain hours worked, out of class adjustment, or any other additions to regular pay.

17.12 Severance Pay: A thirty (30) day resignation notice is required to resign in good standing for employees hired after January 1, 2019. Employees hired prior to January 1, 2019 shall give notice at least fourteen (14) days before leaving to resign in good standing. Upon termination of employment in good standing and with the minimum resignation notice, employees shall receive payment of accrued, unused PTO at the employee's regular rate of pay on the date of termination. Payment may be issued as cash or to the county's approved deferred compensation plan, subject to IRS maximum deferral regulations. The resignation notice requirement may be waived only by the Human Resources Director or County Sheriff. Termination pay, PTO or ESLB may not be used to extend the employee's date of termination beyond the last scheduled working day.

17.13 Longevity Benefit:

Those employees who have reached the maximum of their pay grade, or will reach the maximum of their pay grade on their anniversary date, may receive a longevity benefit of additional PTO. Based on performance criteria used in the performance evaluation, the Department Head may grant up to 16 hours of additional PTO (or up to 24 hours of additional PTO for employees with 20 or more years uninterrupted service with Sherburne County). The amount for part-time employees shall be prorated.

Those employees whose salary is less than 2.4% below the maximum of the pay grade are eligible to receive a combination of a salary increase and hours of PTO. The additional PTO hours shall be determined by calculating the difference between the annual amount of a 2.4% merit increase (had the employee not reached the maximum of the pay grade) and the annual amount of the merit increase the employee did receive. This difference is then divided by the hourly maximum wage of the pay grade to calculate the additional PTO hours. The cap of 16 hours of additional PTO (or 24 hours of additional PTO hours for employees with 20 or more years of uninterrupted service) shall apply.

Denial of all or part of the longevity benefit based on the performance evaluation shall not be subject to the grievance procedure. The PTO longevity benefit may be used as time off, or all or part may be cashed out with the December PTO cash-out, at the choice of the employee.

17.14 Post Employment Health Care Savings Plan. Effective January 1, 2010 a post employment health care savings plan shall be implemented and administered by the Minnesota State Retirement System (MSRS) for members of this bargaining unit. The plan will be established pursuant to Minnesota Statute 352.98 and shall be administered as provided by law. The members of this bargaining unit shall participate in this plan until such time as this contract provision is amended or repealed. Any amendment is subject to the approval of the health care plan administrator. This plan is subject to fees, regulations and conditions established by the plan administrator, the Minnesota State Retirement System. The funding of the plan shall be contributions from the bargaining unit members as follows:

1. Employees with 0 – 5 years of service shall place one percent (1%) of gross salary into the fund. The amount shall be determined at the beginning of the calendar year for withdrawal in 24 increments throughout the year on the first two bi-weekly pay checks of each month.
2. Employees with 6 or more years of service shall place two percent (2%) of gross salary into the fund. The amount shall be determined at the

beginning of the calendar year for withdrawal in 24 increments throughout the year on the first two bi-weekly pay checks of each month.

3. Annually, the value of any Paid time Off (PTO) benefit accruals in excess of seven hundred (700) hours shall be placed into the fund. The value will be determined by taking the total unused PTO hours accrued as of December 31 of each year, subtracting 700 hours, and multiplying the product by the employee's hourly rate as of December 31 of that year.

17.15. Paid Parental Leave. Effective January 1, 2022, employees shall be eligible for paid parental leave, consistent with the terms of section 7.4.4.1 of the County's Personnel Policies.

ARTICLE XVIII - INSURANCE

18.1 The employer agrees to enroll each employee who is regularly scheduled to work 30 or more hours per week into a health insurance plan as established from time to time by the employer after acceptance of bids and in consultation with the labor/management Health Insurance Committee.

18.2 For 2022, 2023 and 2024:

The County has established a base medical plan upon which the contributions will be determined. This amount will be pro-rated for eligible part-time employees regularly scheduled for 30 to 39 hours per week.

- The contribution for 2022 will be equal to the 2021 contribution plus the dollar amount of premium increase to the \$3,000 deductible plan for single insurance. The contribution for 2023 will be equal to the 2022 contribution plus the dollar amount of premium increase to the \$3,000 deductible plan for single insurance. The contribution for 2024 will be equal to the 2023 contribution plus the dollar amount of premium increase to the \$3,000 deductible plan for single insurance.
- For all other tiers, the contribution for 2022 will be equal to the 2021 contribution plus the dollar amount equal to 50% of the premium increase to the \$3,000 deductible plan. The contribution for 2023 will be equal to the 2022 contribution plus the dollar amount equal to 50% of the premium increase to the \$3,000 deductible plan. The contribution for 2024 will be equal to the 2023 contribution plus the dollar amount equal to 50% of the premium increase to the \$3,000 deductible plan.
- The HRA contributions will be \$1,860 annually for single insurance. For all other tiers, the HRA contributions will be \$3,360 annually. If an employee elects a high deductible plan compatible

with an HSA, an annual amount of \$360 will be contributed into an HSA.

- In those situations where an employee would have been provided cashback (under the previous cafeteria benefit plan model), these dollars will now be placed into an HRA or HSA (depending on health insurance plan chosen by the employee).

18.3 The employer agrees to allow each eligible employee to enroll his/her eligible dependents into the various benefit plans offered under the terms and conditions established by the separate plan provider contracts and as required by existing state and federal law.

18.4 The employer agrees to provide each employee with a Life Insurance Policy of \$25,000.

The employer agrees to allow employees to enroll their eligible dependents in the Life Insurance Plan at the expense of the employee.

18.5 The employer will provide employees with the opportunity to pre-tax their salary under options allowed in Section 125 of the Federal Tax Code.

18.6. Affordable Care Act. In the event the health insurance provisions of this Agreement fail to meet the requirements of the Affordable Care Act and its related regulations or cause the Employer to be subject to a penalty, tax or fine, the Union and the Employer will meet immediately to bargain over alternative provisions so as to comply with the Act and avoid and/or minimize any penalties, taxes or fines for the Employer.

ARTICLE XIX - HOLIDAYS

19.1 Eleven (11) normal work days during a calendar year shall be considered paid holidays for full-time employees.

19.2 For full-time employees, the following holidays shall be observed:

New Year's Day	January 1
Martin Luther King Day	Third Monday in January
President's Day	Third Monday in February
Memorial Day	Last Monday in May
Independence Day	July 4
Labor Day	First Monday in September
Veterans Day	November 11
Thanksgiving Day	4th Thursday in November
Friday After Thanksgiving	Friday After Thanksgiving
Christmas Eve	December 24
Christmas Day	December 25

All holidays shall be observed on the actual calendar day on which they occur.

19.3 The Employer will provide the holiday benefit by making a cash payment, on or about the first paycheck in December of each calendar year, on the basis of straight time. The amount shall be prorated for new employees. In addition to the cash payment provided for in this section, each employee covered by this section shall receive an additional one-half (1/2) hour's pay for each hour worked on the holidays listed in Article 19.2. Employees shall have the option, in lieu of the cash payment provided, of taking the equivalent amount of time as paid time off. To facilitate this option the employer will create a "holiday bank" where 8 hours will be placed as the holidays listed in Article 19.2 occur. The credit for the December 24 and December 25 holiday shall be placed in the holiday bank at the same time as the last holiday in November. Employees will have the option of using this banked time as paid time off, subject to supervisor pre-approval of the scheduled time off and management's sole discretion regarding staffing requirements. Any time remaining in the holiday bank at the time of the December holiday pay check will be paid out to the employee. Should an employee terminate employment for any reason between the date of the payout and the end of the year, payment for any holiday hours earned after the termination date shall be deducted from the final pay check. The holiday bank option shall be available only to full time employees.

ARTICLE XX - INJURY ON DUTY

The Employer shall grant full salary to any employee who is injured while on duty, through no fault of the employee, for thirty (30) days provided a doctor's certificate is filed with the County Administrator's Office stating that the employee is not able to return to work during the thirty (30) day period. The County Board may continue to grant such salary to an employee beyond the thirty (30) day period upon further evidence from a doctor stating that such employee is still unable to return to work as a result of his/her injury on the job. The amount of Worker's Compensation being received shall be reported to the Employer and shall be credited against the amount paid by the County so that the aggregate of the two shall equal the employee's regular salary.

ARTICLE XXI - TRAINING

The Employer shall provide or make available a minimum of eight (8) hours of in-service training annually, on average, for each covered employee. Employees on duty may be assigned to attend as part of the scheduled shift. Employees who are not on duty shall be compensated at the overtime rate for all hours involved in such training, including travel time. Some training may be mandatory and, if so, the employees will be so notified. All sessions not declared mandatory shall be voluntarily attended by those who wish to attend. Travel time shall be work time under the following circumstances: Travel time to and from the main work site to approved training or conferences is compensable work time. Travel to and from home to alternate work sites, conferences, or training is work time only to the extent it exceeds the normal commuting time to and from the employee's main work site.

ARTICLE XXII - UNIFORMS

- 22.1 Each new Employee, after the first six months of employment, shall be furnished with the initial issue of uniform as determined by the Sheriff, at no cost to the Employee. If the Employee does not complete his/her probationary period, these uniform items shall be returned to the Employer before the final paycheck is released to the Employee. After receipt of the initial issue, all employees shall wear the uniform while on duty and shall maintain the uniform so as to ensure a professional appearance.
- 22.2 Beginning in 2022, the Employer agrees to provide each Dispatcher a uniform allowance of \$1,206 per year. The Employer agrees to provide each Dispatch Supervisor a uniform allowance of \$900 per year. Fifty percent of the annual uniform allowance shall be paid with the first full payroll period in March of each year, and the remaining fifty percent of the annual uniform allowance shall be paid with the first full payroll period for the month of October of each year. Only those employees who have been employed at least six months on March first and October first of each year shall be eligible for the semi-annual uniform allowance. An employee who has been off work on leave status for six consecutive months or more shall not be eligible for the next semi-annual uniform allowance payment.
- 22.3 Uniforms shall not be used by Employees for off-duty activities.

1. An employee promoted during the term of this Agreement will, effective with the date of promotion, be awarded a promotion increase of four percent (4.0%) or be brought to the minimum of the Grade Range to which promoted, whichever is greater. In no case shall a promotion place an employee above the Range Maximum applicable to the promoted position. Employees may be provided a promotional increase beyond that provided for above at the discretion of the hiring Department Head and the Human Resources Department. Such increases may be based on factors such as internal equity, the employee's length of continuous service with Sherburne County and/or market influences. The decision on the amount of a promotional increase shall not be subject to the grievance procedure.
2. Range movement may be denied by the Employer for just cause. If denied, the affected employee shall be notified of the reasons therefor, at least ten (10) days prior to the appropriate anniversary date, and the Grievance Procedure shall apply if the employee contends that the reasons for denial are insufficient.
3. Anniversary Date: Eligibility for performance pay range movement for all personnel covered by this Agreement shall be after one calendar year of employment since the start date or one calendar year since the last performance pay increase, whichever is later. For employees who have taken an unpaid leave of absence of more than thirty (30) days, their anniversary date shall be adjusted by the period of the unpaid leave upon return to employment.
4. Each employee below Job Rate is eligible, based on a satisfactory evaluation, for a four and three tenths (4.3%) performance pay increase on their anniversary date.
5. For purposes of the Pay Plan, range movement or calculation of other fringe benefit eligibility, the action date for changes shall be the actual calendar date of eligibility.

6. Computation of hourly rates, where necessary for pro rata determinations, shall be based on 173.3 hours per month, 2080 hours per year.
7. Each employee at or above Job Rate is eligible, based on a satisfactory evaluation, for a two and four-tenths percent (2.4%) performance pay increase on their anniversary date up to the maximum of the pay range. No award shall result in placement above the maximum of the range.
8. If merit increase is withheld in either year of the Agreement as a result of the performance evaluation, such employee will not be eligible for a merit pay increase until the following year. Such matter shall not be subject to the grievance procedure.
9. Probationary Increase: Employees hired or promoted at the minimum of the pay range are eligible for a merit increase of up to 4.3% after their first six months of employment provided no merit increase has occurred before the six month eligibility date. Subsequent range movement will be on the anniversary date and then every twelve months thereafter in accordance with paragraphs two through eight above.
10. Employees shall be paid differential pay as listed below for each hour worked between 6:00 p.m. and 6:00 a.m. Only those hours of a shift which are actually worked between the hours of 6:00 p.m. and 6:00 a.m. shall receive the differential pay. Shift differential shall be \$1.00 per hour.
